

Time On Our Hands

words and music by Alan Simmons

Time on our hands,
Nothing to talk about
And nothing to do
But stay here with you and
Time on our hands,
I'm really happy just to
Be here with you
And nothing to do,

We've no chance of riding on a railway,
And no chance of paddling a canoe,
We can't afford a ticket to the seaside and
We can't afford a visit to the zoo
So we've got....

Time on our hands (*etc.*)

Time on our hands, we'll
While away the day, so much...

Feel that rhythm tingle your feet,
You can feel...

Feel that slow rhythm,
Feel that cool rhythm...
