

## OUR TIME TO SHINE

**Now is the time, our time to shine,  
And WOW what a show we have planned!  
Now is the time, we're feeling fine,  
We're ready so strike up the band!**

### Chorus:

*We're gonna sing with all our might,  
Be the leading light,  
Hit the highest height just for you,  
And we'll hear you clapping,  
We'll see you toe-tapping  
When we let the music fly!  
We wanna hear you shout 'ENCORE,'  
Crying out for more,  
We've got songs galore just for you,  
And we'll raise the rafters  
With singing and laughter  
In our most spectacular show.*

**Feeling so proud, singing aloud,  
And WOW, what a buzz in the air!  
Feeling so proud, such a big crowd,  
We're ready, so give us a cheer!**

### Chorus:

*We're gonna sing with all our might,  
Be the leading light,  
Hit the highest height just for you,
